## Hope and Healing

Abby Lance to share story and expose the deception of abortion  
Tuesday, September 13, at Cappuccino Restaurant  
(next to Copper Cellar 7316 Kingston Pike)

**Abby Lance**, a local wife and mother, says that her greatest hope is that the abortion lie propagated by Planned Parenthood and the pro-abortionists will be exposed. At the September meeting of Tennessee Right to Life, Knox County Chapter, Mrs. Vance will share her experiences of the pain of abortion and the process of forgiveness and healing. She has since led Bible studies and been a volunteer for Hope Resource Center. "By telling my story, I want those that might be contemplating abortion to know that the 'quick solution' to an unwanted pregnancy is a lie and that the consequences experienced physically, mentally, emotionally and spiritually will be something they will regret for the rest of their lives." **Join us on Tuesday, September 13 at 6:15 PM to order from the menu or at 7:00 for the meeting.**
