**Tuesday, November 8, at the Tennessee Right to Life office (3214 Tazewell Pike)**

For those who missed the October 18<sup>th</sup> banquet, this will be a great opportunity to experience the excitement of the evening as we show the DVD from the event at the November meeting on Tuesday, November 8<sup>th</sup>, at the TRL office at 3214 Tazewell Pike. You will see the amazing testimony of Miss Lila Rose and even hear the exciting announcement that was made during the evening. Please join us if you missed the banquet or if you attended and wish that family or friends had been there with you to hear Miss Rose. This is a great opportunity to share the message with members of a youth group or a high school Sunday School class. **Join us for pizza and dessert at 6:30 with the DVD starting at 7:00. Please let us know if you will be coming at 689-1339 or [trlknox@knology.net](mailto:trlknox@knology.net)**

**NOTE: There will be no meeting in December.**

**NURSES NEEDED IN NASHVILLE:** Tennessee Right to Life coordinates a busy pregnancy resource center as an outreach of our state office. Located three doors from one of the state's busiest (and unlicensed!) abortion facilities, Grace Pregnancy Resource Center has increased our ability to reach out to abortion-vulnerable women and families by adding ultrasound capabilities earlier this year. However, the center is in urgent need of nurses willing to volunteer several hours each week---or every other week--- to assist in providing ultrasounds and counseling to the clients. Please share the following information about the need with those you know in the Nashville area:

### **Volunteer Nurses, Nurse Manager Needed for Pro-Life Outreach**

Nurses urgently needed to work with pregnant clients and provide limited ultrasound services at life-affirming pregnancy center in Nashville area. Flexible hours and reward of helping moms choose life for their unborn children. For more information contact Jennifer Richards at Grace Pregnancy Resource Center, 615-331-8958.

***UT Campus Chest: If you are a UT Employee and give to the Campus Chest campaign, please consider designating your gift to the TRL Education Fund. Contact our office for more information.***

*Celebrate Life Banquet: An Unforgettable Evening*

Miss Lila Rose was the highlight of an all-around tremendous event. She captivated the audience from the beginning telling of how, at an early age, she knew she wanted to be a part of bringing an end to abortion. She shared with us her experiences of walking into Planned Parenthood clinics with hidden video cameras since she was 18 years old. This remarkable young lady thanked those who have been in service for life for many years and vowed that her generation would continue the work of restoring protection to unborn children. She also reminded us that it is a beautiful gift to be a part of pro-life work. We would like to thank all who attended and sponsored (see below) this year's event.
